The Resulting Sound of God (Ken Walston – Kenna Outreach Ministries)

*From Ken, who is an elder within the Church, this is my eyewitness testimony and what the Spirit of God has given me to reveal to the world, according to what I have seen and been given as a witness of what God has prepared for those who Love Him! In Yeshua ADONAI, who is the **King of Kings** and the **Lord of Lords**, He is the One who sits on the Throne of God (Elohim) at the Right Hand of the Father (YaHaWah) and has revealed these things through the Spirit (Ruach HaKodesh), to His imperfect servant who loves Him so that He (Yeshua) may receive Glory and Honour, AMEN.*

On a particular day, as I was worshiping the Lord my God in private at the Alter of my home, the Spirit of all Life came to me and took me into the Presence of the Most High. I was not in physical form, but in spirit form that I could identify as me. There I witnessed what I had never before and was given insight into and of things not of this physical universe. This is what it will be like once we have been resurrected from spirit into our new bodies standing and existing in the Presence of the Most High in His Abode of Heaven forever. This is not what happens once death comes upon you, which is a temporary Rest or Sleep, but once we have been resurrected out of Death's Sleep when God makes All Things New. These are some of those things that ADONAI will let me share and write down:

In the Presence of the Almighty (El Shaddai), you are in the complete and unrestricted Abode of God. It is not only where He Reigns from, but where His Power originates from. You are immediately aware of His Presence in everything, and your mind is so clear that you can concentrate on as many things as you wish and each thing is as if it is the only thing you are concentrating on, yet you may be concentrating on many things at the same time with full cognizant understanding of all these things, as if all of them are one thing. There is no end to any ability that you have, all has been given without restriction. Your entire being is set on Faith and there is not a bit of doubt in what you are seeing or thinking nor anything around you or inside of you, Faith is the focus and the force that is Majesty in Heaven, Faith was essential in the Creation of All Things.

This is what it is like, this is what it will be like once God brings All Things back unto Himself and we are standing before the Almighty in our New Body (Resurrected Being). You are aware of everything and everyone you meet; you know their New Names and they know yours, it feels, that you have always known them, everyone is your family through Yeshua, there are no individual clans or families or idolatry like there was on earth, we are all individuals there. When gazing upon the Throne of God, all of your senses witness the absolute and Unconditional Love that emanates through every essence of your being, down to the atomic level (so-to-speak) in a manner and way that has never been expressed or seen in your existence or experience while living in human form on the earth. There is no sin or consciousness of evil to object to God's Love or interfere with the Will of God. There is no Adversary or tempting forces opposing God's Eternal Love and Perfection, and there is no need for forgiveness or salvation any longer, there is only the Perfect and Complete Will of God going forth.

There is a calm stillness and serenity of peace which engulfs you and is within the atmosphere and all through the environment in every direction going to infinity. From the Throne of God, His Light is permeating through all that He has created. There is no darkness, there are no shadows hiding behind anything, just pure light, pure energy and pure force radiating in all directions

coming out of everything; your new body, the ground, the sky, the clouds, the flowers, the trees, every creature you see, the mountains, the water, the streets, the fruit on the trees, any structures or buildings, everything!

Within the stillness and peaceful serenity, you feel and hear a vibration which is coming from the Light that is radiating out of everything and coming from every direction, its source is from the Throne of the Most High. It is the Resulting Sound of God's Glory singing forth and is a beautiful meditating and surreal sound. It is indeed glorious and brings forth the Peaceful Serenity you feel. You are constantly surrounded by light and sound, but never to the point of confusion or your inability to withstand His intensity. There is also, unbelievable sounds and what seems like music, things you've never heard before and the sounds of beautifully orchestrated melody which seems to have no beginning and no end and fits the surrounding situation you are in at the moment. It follows you were ever you go, but there is no sense of origination or volume, just peaceful and perfect. There is no aggravation or annoyance of any kind, nothing is too repetitious or boring. Things appear and you move through panoramic scenes of unspeakable beauty and pageantry.

You have your five senses (sight, hearing, taste, smell and feeling), but these are purely enhanced beyond your human created state. You also have other senses and abilities which are unhuman that I cannot describe to you through this sinful flesh or that you can hear with your sinful mind, but one thing that I can reveal, that was totally amazing, is that you can see 360 degrees, in all directions at the same time, like a complete panoramic view (encircling you).

There are so many new things manifested before you that you've ever seen or imagined on Earth. Things that could only be in Heaven where the Holiness of God's Perfect Will exists; things that cannot be in the presence of sin, which God cannot manifest on Earth because of the sin which exists there. I can recall these because I was still alive and my recall after coming back into my body was still with me, but after you die, no one remembers what their life was while they were on earth, it all vanishes, for this life is of sin and God will make all things New. You can sense the absence of time but are aware of Eternal Existence. The mere fact that you can gaze upon the Throne of God and see His Image without any restriction gives you a complete sense of security that you shall live forever. Everything emanates Love and Peace which completely surrounds you Eternally. You are totally and completely aware of where this Love and Peace is coming from, it is the One who sits on the Throne and the angels call the ***Holy of Holies***. Nothing is without Praise towards God, everything and everyone is constantly and willfully Praising and Worshiping the One who sits on the Throne. He is constantly Emanating and Conveying the Essence of Himself to all of His Creation. His Voice is like substance that fills your starving hunger and satisfies an unquenchable thirst. There is no want or care, no need for a request or supplication; no condemnation or repentance, no judgments or injustice, no crying or remorse, no laws or restriction, no revelations or prophecies, there is no doubt or questions to be answered, you immediately know everything without having to ask a single question; you just think of something and it is immediately manifested before you; just pure substance of Truth and Unconditional Love…Utter Holiness!

The communication in the Abode of God between Him and His creation is through Faith and manifested by His Spirit. The Mind of God and the Being of God are one in the same and there are no restrictions in receiving ALL Things in Righteousness, no guilt of unworthiness or doubt. You cannot see the beginning or the end of anything; there is no birth or death any longer. Everything is as God is, Eternal! You see and witness the true Essence of God and He fills everything with His Radiance and Love, which is His Radiance and His Glory. God does not make you worship Him; you want to worship Him! Every fiber of your being is in Love with Him, and your uncontrollable desire is to worship Him. Everything and everyone in Heaven are constantly worshiping God and it is the most beautiful sight to behold Forever and Ever! Amen!

This is the testimony of what I was given by the Spirit of God and to be a witness so that you may believe in what God has instore for those that Love Him. As for you, open your heart and call out to Yeshua to receive His forgiveness, for all of humanity (every human) is a sinner, and confess in His Name that you believe that He is ADONAI and want to receive your Salvation and Eternal Life through Him. That you acknowledge the He is Lord and God.

Yeshua and The Spirit says, "*Come, so that you may be Born Again, and I will put your name into my Book of the Living, and you shall receive Eternal Life and be in My Presence Forever!*"
