On the Edge of Eternity (Ken Walston – Kenna Outreach Ministries)

The Human Race (Homo-Sapiens)-Mankind, created in the Image of God (Genesis 1:26-27), was made out of Spirit (Eternity) to be joined with Flesh, for a temporal moment of physical existence. All of us, from Adam forward are Spirit Beings having a Human Experience. Although Sin has brought the Judgment of God upon us, that we all must suffer the Curse of Death and our Flesh Body dies and returns to the earth it was originally formed from; the Spirit (Life Giving Force) inside of us returns to the Original Source in which it came from (Spirit-Eternity). As God's Will commanded a physical universe through His Word to appear out of Nothing; that which is unseen created all that can be seen; and All things (Past, Present and Future) came from One Source through Spirit, for God is Spirit (John 4:24), and All Things created in Heaven and in this physical universe, including mankind (us), already existed in the presence of God. The Will of God is that all these Things be manifested for the Glory of God and for His Purpose they exist. This makes God the Sovereign Lord over ALL Things.

In the scheme of God's Purpose being executed and fulfilling His Sovereign Will, He had decided to create Man as the Highest Order of Creation and through His Own Image, He has placed Man above all things in the physical creation in order to Purpose His (God's) Will towards His Final Glorification and Worship. The Purpose of man's sin and the separation of man from a Holy God, was to edify the Sanctification and Mercy of the True Nature of God's Glory, to expressly show His Divine Nature of Love and Grace. In the Divine Presence of God's Holiness, the free-willed expression that God had given to Man, could not show His (God's) true expression of Mercy and Grace without the Highest Order of Creation having to submit themselves to God in obedience and supplication. Unless sin had abided in Man, mankind would not be able to understand the True and Divine Nature of God's Love and Mercy; and God would not be able to express His Sovereign Power over the Creation and demonstrate His True Nature of Everlasting Forgiveness and Clemency. God's sole Purpose of Creating Creatures out of His Purpose was for His Own Glorification and Worship and to demonstrate His Great Love towards that which is from Himself.

As each of us moves through God's Purpose in our Creation, we stand at a moment's notice of passing through the portal of this physical Human Experience into that State of Eternity. As the Highest Order of Creation, we will take our place either in the Presence of God's Glory or in the Presence of God's Eternal Judgment. This once again is under the Free Willed Expression of each person to decide the Eternal Path they will take; it is not a decision that God makes for us, nor is it one that God will take the Blame for if that individual finds themselves under the Judgment of God's Wrath and the Path of Eternal Damnation. No one will be able to accuse God or make an accusation that God did not give them the wherewithal to be redeemed, "For God so Love the world that He gave His only Begotten Son (Yeshua ADONAI) so that everyone who believes in Him shall not die but receive Everlasting Life."

God has given Propitiation of ALL our Sins to Every Human Being through the Blood Sacrifice of the Lamb of God (Yeshua ADONAI). Now that God has prepared the way for us all by Forgiving and Forgetting our Sins, it is through Faith in Yeshua, that everyone has the ability to receive Salvation and step into Eternity through the Portal of His Grace and Mercy.

Without this you will pass through the Portal of Eternal Judgment. Yeshua ADONAI says, "*Behold, I come Quickly!*" No one knows the day or the hour in which the Lord shall return or the time of your passing.

We are all constantly on the **Edge of Eternity**.
