And I show you a Mystery – (Absent from the Body)
(Ken Walston – Kenna Outreach Ministries)

This is the testimony of what God is giving through His imperfect servant, in order that what He has shown may be made a credible witness to His Majesty and Holiness.

The Lord God (ADONAI) has given me two great visions, one after the other, both of great significance and something that has been a mystery since the beginning of our human existence. As for myself, all of my life I have wondered what happens the moment after you die and where do you go, for I never could believe that you just died into nothingness.

This is the **First Vision** and testimony that I received and went through. As I was worshiping and contemplating God and His Greatness, The Spirit of all Life opened before me a vision of Life after Death, and what each of our brethren who have fallen asleep (Died) in Yeshua ADONAI are at right at this moment, that Safe Zone of existence (Eternal Rest) awaiting the Command, to be given by the Father (YaHaWah), to the Son Yeshua, to go and get the Church; which is to be resurrected from death and stand in the Presence of Almighty God (1Corinthians15:51-53, 1Thessalonians 4:15-18).

Our death is unlike death for those who die without receiving the Free Gift of Salvation from God (Dead to their Sins). For them, there is another pathway they travel, and it is to the Grave and Death (Sheol); to a place of Darkness and Cold, separation from God and in Torment because of that separation, which they freely chose for themselves.

The Spirit allowed me to briefly witness what awaits those who Sleep in Yeshua and those who go to the grave without receiving their Salvation. It is the State of Death where Eternal Life begins and Transends our physical mortality and where sin goes to the grave and dies with the body.

While I was worshiping, I was taken out of my body and transfigured into a state of Pure Energy (Spirit) and weightlessness. At that moment, it seemed that I breathed in (Without taking a breath for I had no physical body) for the first time what felt like pure serenity, Life beyond anything experienced in my human being. It felt like being set free from the compression inside a shell, this Body, which is holding the life-force inside of it, keeping it alive. Once this Life Force is released from this Body, it feels like it expands beyond the space and time of this universe in Timeless Eternity.

All that was before me appeared to be in a cocoon of surrounding Heavenly Light (not sunlight like on earth), but a bright blueish glowing Presence of Light which Radiated in all directions to where I could not see anything but the Light surrounding me. There was no one else around me or with me, I was alone in the Presence of Absolute Power and Serenity, in an Eternal State of Being with no reality other than my Eternal Existence; no passing of time or semblance of motion, and I had no remembrance of my earthly human life, no feelings of being in a physical body, only what surrounded me, an Eternity of Peacefulness.

Coming from the center of this surrounding Cocoon of Light was a Brighter, more intense Point of Light. I could tell that the surrounding Light around me was the Afterglow and Fluorescence of this one Brilliant Point of Light. I was completely engaged into that Point of Light and was prepared and wanted to stay there forever. I could feel absolute Love and Peace within me and surrounding me like a blanket. I had absolutely no desire to do anything but engage the Light and receive the Energy, Peace and Love coming from it. It was complete in its entirety, it is a State of

Euphoric Bliss, a sanctuary of Eternal Peace and it is what awaits every Believer of Yeshua after they leave their mortal body behind. It is the definition of what is proclaimed as, "Absent from the body, present with ADONAI"; the Sleep that the Apostle Paul mentioned after this life ends and you begin your new life of Eternity. It is the Eternal Presence of God, holding onto you and keeping you Still. "*Be Still and know that IAM God*" (Psalm 46:10); actually, it is the true meaning of, "in the Presence of ADONAI".

This is what it is, you leave the confines of the mortal cocoon (Physical Body) and the physical universe and are lifted out into a State of Spirit, that which we call supernatural, that part of you which is the Life Force (Energy) within the Physical Body (the Real You) that goes before the Lord God. All of the frailty of the human experience you knew on earth is gone; all fear, all body pain, all temptations, all physical anxieties, all doubt, all memory, all hunger and thirst, all the people you knew, all family, everything that was human and everything that was corruptible.

Those who die (sleep) in Yeshua are literally in a State of Spirit, individually being held in place with no interaction with anything except the Spirit of God, waiting for the moment when they shall be risen from being in Spirit (Sleep) and transfigured and transformed into an Eternal Physical Being (with a New Body) which is incorruptible (Lives Forever) in the Abode of Heaven which Yeshua has prepared for us. You do not go back into your human physical body but are resurrected into a New Physical Form which is Body and Spirit combined which lives in the Presence of God and Eternity; and you receive a New Name, a totally New Eternal Identity.

This waiting state of sleep is not sleep like in your earthly body where you are unconscious, out of reality and vulnerable while under the influence of sleeping. Human sleep is to rejuvenate the sinful human flesh, where this death sleep is a release of the sinful human flesh and all of the attributes associated with it. You become more brilliantly awake and aware of your existence than you ever could in your human state of being.

There is no awareness of time or the passing of time, time is for the human mortal, within the confines of this physical universe and under the Laws of this physical universe. This is now a State of Immortality under the Order of Eternity which to us is in the realm of the Supernatural and not confined to the Laws of this physical universe any longer. The Spirit reminded me of what He has said before, "*You are Spirit Beings having a Human Experience*."

This State of Rest or Spirit Being is not confined to anything, you are separated from your previous physical existence (bondage to a physical body and mortality) and free beyond anything you could ever imagine. You literally have the Mind of Yeshua and are sharing in all of the Virtues of God. There is absolutely no remembrance of the life you had as a physical Human Being at all; no hindsight only Pure Foresight as you are confronted with the Full Essence of God in Spirit and Power and are in His Everlasting Presence. He is holding you up, holding on to you, you are completely surrounded by His Safety and Protective Love. This is what the Lord God has shown me in the Spirit, that He has taken me beyond the living into the world of the afterlife in His Presence (Heaven); to have a witness of what permanent death is really like without being dead. I never died; my spirit was taken out of my body while I was alive so that I stood in the presence of the Lord God alive. Then my spirit was returned to my body while it was being sustained supernaturally by the Hand of God. So, this testimony stands as what is a truthful witness shown by the Lord God of what occurs after a Believer in Yeshua dies.

No matter how many stories you hear about Near Death Experiences (NDEs), none of those people actually died completely never to return, they all returned to their bodies to tell stories of what they experienced. Strange individual experiences (visions) personal to them with a seemingly psychosomatic theme, walking with and talking with Yeshua and having physical encounters with others in heaven. Some having personal experiences and revelations engaging them to tell the world after they returned to their bodies. None of these NDEs are in anyway in the form of a peaceful rest or sleep, they are interactive visions of something current or relative to their past human encounters, not of a state of Eternal Being which has died to this life and

physical universe. The one thing that separates these visions from any spiritual reality, is that there are no humans (People) in the abode of God currently. They are all spirit beings detached from a physical body waiting for the command of God to be joined to a new physical body, and that will be done all together and all at once by a single command given by the Father, and that hasn't happened yet.

Yet some of these NDEs have a different experience to report, one of horror and extreme suffering and torment. The Lord God has given me insight into that aspect of death as well, the other side of Eternal Rest, when a person has lived their live outside of receiving Yeshua as Lord and God, they go to a place of Holding in the Grave (Sheol), then the Final Judgement. They go into torment because they are completely separated from the Presence of God; there is no Peace or Love for them.

This now is the **Second Vision** and testimony of what the Lord God (ADONAI) has allowed me to witness and partake in, so that you may also be aware of it and its truth.

I was standing before what looked like small individual cubed rooms, about four (4) feet by four (4) feet squared and maybe six feet tall, as far as you could see in all directions, what seemed like a large multitude of them, completely engulfed in darkness, but the darkness was not like here on earth, not like being in a completely dark closet and you couldn't see your hand in front of your face; it was the complete absence of any light, not the covering to shadow or restrict light from coming in, there was no light at all coming from any direction, inside or out. Beside me was an Angel of YAHWEH, but he did not say a word the whole time, just steadfast standing beside me. I believe it was the physical Presence of YAHWEH with me in order that I may survive and withstand being in the presence of this darkness (Death). What ADONAI was showing me (telling me) was that on earth and in the physical universe He has Created, the existence of all things comes directly from Him (which is Light) and all source of Light comes as a direct result of His Presence in all things Created. Wherever we are in the physical universe, there is light coming from every direction. Even when darkness intrudes on the source of light, there is a consistent radiance existing. We can always come out of the darkness into the light, but in this place, it was spiritual darkness and transparency, I could see through it. It was like looking through a dark bluish-gray glass (crystal clear), with no radiance behind or in front of it; this was a Spiritual Dimension. There were individuals (humans) inside these cubed rooms, and they were being inhibited from free form movement inside their restricted space. They were all reacting to an internal (personal) torment, like they were insane and in great anguish, some thrashing around wailing and others holding their heads screaming continuously and beating themselves. I was in close proximity at times to them, and could clearly see them, but they could not see me. I asked ADONAI how this was; and "The Spirit" told me that I was among the living and these were among the dead. Their torment is the result of their total separation from YAHWEH. I asked ADONAI, how could they be totally separated from YAHWEH, who made that decision? "The Spirit" answered me with a voice that was thunderous, "*THEY made that decision!*" At that moment, everything shook, and I could see every person fall to their knees trembling in fear. It felt like a double-edged sword had gone through me, then out of me again. It was the Word of YAHWEH speaking (ADONAI).

ADONAI spoke one more thing to me before taking me out of that place; "The Spirit" revealed what I was witnessing and where this place was; it is the darkness that is inside every human being, the holding place where YAHWEH has separated the Darkness from the Light. It is the Grave [SHEOL], it is Death, and the captive place of bondage before the Final Day of Judgement (Revelation 20:11-15); and I am a witness that it does exist, more real than anything we have experienced in our human physical life on earth. IT IS HORRIBLE!

ADONAI made it quite clear, that this is not what He intended for Mankind; this is not what His Heart desired for us. This is a willful desire of the individuals here to reject the Free Gift of Salvation that ELOHIM has provided to every person ever conceived and born. It is the final

outcome of their blasphemous and arrogant lives, where now, right at this moment, they are in complete and utter Eternal Darkness and fear and torment; not torment like being hung and having your flesh ripped apart from your body kind of torment, but FEAR, fear that is so intense and completely incarcerating that it engulfs every essence of your being. There is no goodness or love or satisfaction of any kind in the midst of the pain and anguish which is being suffered without substance of time, continuous and unceasing with no hope of any end in sight. This is what death has brought onto them, not an end to all things, but the everlasting beginning of unending torment. This is the outcome of complete and total separation from YAHWEH and the attributes you shared while you were alive in your body as a human being on earth. There is no word in any language that can begin to describe the kind of fear which leads to utter torment like this is.

To many times the religious minded (all world religions) or the worldly (humanistic) individuals, believe that God cannot or will not bring Judgement upon the Evil, that everyone goes to a kind of paradise of their own without any kind of negative repercussions for their heart felt actions. So, these NDEs that people experience is the result of them believing that everyone goes to that place of Peace and Love and they experience everlasting existence with what they consider to be God or a higher power, no need for repentance to God for anything they have done. The belief that everyone goes to that higher power. **Nothing could be farther from the truth!**

All humans, from the first man and woman to the last, must recognize that there is a God (Creator) and that we all have sinned against Him and that we need forgiveness for those sins, then receive salvation unto Eternal Life so that we may stand in His Presence forever. The only means of doing that is to come to the understanding then acknowledgement that Yeshua ADONAI is that means. That He became the sacrifice from God to take upon Himself all of our sins against God and Propitiated the outcome towards God as being forgiven. The acceptance and rendering Faith towards this in acknowledgement is what gives us Eternal Life (Salvation). According to the One True God, this is the only way we can be Saved. The rejection of that free gift is Blasphemy and considered the unforgivable outcome against the Holy Spirit that will not be forgiven Now and or Forever!

Now consider this, the people who died in Yeshua 2000 years ago, or a thousand years ago, or 500 years ago, or fifty years ago, or just a moment ago, are all in the same State of Spirit Being or “Rest” as if they had just woken up and entered into the Presence of ADONAI. You can feel yourself leaving this physical state of human being; pulled out and gladly leaving it all behind. No matter how good you lived or how happy you were in your physical human being, you can feel the death of it leaving you as you enter into a state of Spirit Being which surpasses all previous existence, and with it goes ALL of the memory associated with that previous human existence.

There is no concept of time or how many years have passed; it all just happened for each and every one of them a moment ago. The next moment for them, no matter how many days, weeks, months or years it is from now, will be when they (The Dead in Yeshua), are risen (Changed) from their State of Spirit (Rest) and joined to a New Form (Body); and then we who are alive in Yeshua on this earth, hear the Command of God, “*COME UP HERE!*” and we are changed from Mortal into Immortal (a New Form Body), and we meet them in the air. Then the entire Body of Yeshua (the Church) will be Assembled before ADONAI Physically, not in Spirit, but in a New Physical Form; and so, Shall We Always be with ADONAI.

“For God so Loved the World, that He gave His Only Begotten Son, so that whoever believes in Him shall not perish [Die the Second Death] but receive Eternal Life.” (John 3:16)

These are not just some beautiful words or a romantic sentence to inspire the individual reading it, this is an Eternal Event, one that set the precedence for our Second Birth in Yeshua (Born Again) and assures us of our Eternal Life; but you must receive it, it is freely given by God, but assured in receiving it only through Faith…Faith in Yeshua ADONAI!.
