Suddenly it Comes Upon You – Ken Walston (Kenna Outreach Ministries)

My Dearest Brethren, once again, the Lord (ADONAI) has given me something that I must share with you; two great visions that ADONAI has given me. It is something that I was allowed to witness and had a very brief participation in, but with everlasting impact and consequence. I can't give an exact amount of time involvement because this was something that ADONAI revealed outside the body, in Spirit, where these events are taking place right now. I am bound by these two visions as they were given to me to reveal its truth to you all.

When ELOHIM reveals any part of His Purpose to mankind, the purpose behind it is to give mankind a view and insight into the Will of ADONAI, His Will for us, in order that He may be Glorified.

The first part of this vision (I don't know what else to call it), I believe is something that ADONAI is revealing to me alone, I have not in the last 45 years of my walk with Yeshua HaMashiach (ADONAI) ever heard anyone speak of this vision before. It was a replay of something ADONAI showed me years ago, but this time I was instructed to write it down as I was witnessing it. Its impact was so great I could barely contain my senses in front of it.

In the **First Vision**, I was standing in front of two tremendously large double-sided doors in which I could not begin to estimate their size or dimensions. It looked like they were made of cast iron with huge hinges on both sides from top to bottom. As I looked around, it looked like I was in a huge rock cave or cavern underground. I could hear coming from behind the doors a loud thunderous roaring sound. All of a sudden, two large angels appeared standing at both doors ready to open them. Then a voice that sounded like thunder and the doors opened inward. As they opened the sight beyond them was both horrific and tremendous. It looked like an ocean of molten fire, churning like molten metal in a furnace. There was no heat coming from it, but I could sense the strong Presence of YAHWEH in the midst of it everywhere. I personally had no fear of it and I knew it was not a place that I was going to be entering into. The two angels were standing at the entrance blocking any entry that I could make. My desire was not to enter, but to witness its unbelievable immensity. I knew what it was I was looking at, but in order to get that confirmation I asked, "What is this?" "The Spirit" answered, "*It is the Lake of Fire*". I replied, "the one you revealed to your Apostle?" and "The Spirit" answered, "*Yes*". Then "The Spirit" said to me, "*It has been prepared since before the foundations of the earth for Satan and his Fallen Angels. It is The Place of their Eternal Damnation and Torment.*" Then "The Spirit" reminded me that it is also the Second Death of the Final Judgement of YAHWEH, for all human beings who are found guilty of Blasphemy against the Word of God and rejected the death and purpose that Yeshua sacrificed and would not receive His Free Gift of Salvation, everyone who willfully rejected and was an abomination to Him.

As I stood gazing upon this Ocean of Fire, the shear knowledge of what I was gazing upon came to me, it is the Love of YAHWEH which is this Fire. The Love of YAHWEH, which is a Burning Fire and will be that substance of their torment forever and ever; as creatures of His Creation are totally made separated from any part of His Eternal Love and thrown into that Fire of His Love will burn and torment them from within, and without consuming them.

This now is the **Second Vision** and testimony of what the Lord God (ADONAI) has allowed me to witness and partake in, so that you may also be aware of it and its truth.

I was standing before what looked like small individual cubed rooms, about four (4) feet by four (4) feet squared and maybe six feet tall, as far as you could see in all directions, what seemed like a large multitude of them, completely engulfed in darkness, but the darkness was not like here on earth, not like being in a completely dark closet and you couldn't see your hand in front of your face; it was the complete absence of any light, not the covering to shadow or restrict light from coming in, there was no light at all coming from any direction, inside or out. Beside me was an Angel of YAHWEH, but he did not say a word the whole time, just steadfast standing beside me. I believe it was the physical Presence of YAHWEH with me in order that I may survive and withstand being in the presence of this darkness (Death). What ADONAI was showing me (telling me) was that on earth and in the physical universe He has Created, the existence of all things comes directly from Him (which is Light) and all source of Light comes as a direct result of His Presence in all things Created. Wherever we are in the physical universe, there is light coming from every direction. Even when darkness intrudes on the source of light, there is a consistent radiance existing. We can always come out of the darkness into the light, but in this place, it was spiritual darkness and transparency, I could see through it. It was like looking through a dark bluish-gray glass (crystal clear), with no radiance behind or in front of it; this was a Spiritual Dimension. There were individuals (humans) inside these cubed rooms, and they were being inhibited from free form movement inside their restricted space. They were all reacting to an internal (personal) torment, like they were insane and in great anguish, some thrashing around wailing and others holding their heads screaming continuously and beating themselves. I was in close proximity at times to them, and could clearly see them, but they could not see me. I asked ADONAI how this was; and "The Spirit" told me that I was among the living and these were among the dead. Their torment is the result of their total separation from YAHWEH. I asked ADONAI, how could they be totally separated from YAHWEH, who made that decision? "The Spirit" answered me with a voice that was thunderous, "*THEY made that decision!*" At that moment, everything shook, and I could see every person fall to their knees trembling in fear. It felt like a double-edged sword had gone through me, then out of me again. It was the Word of YAHWEH speaking (ADONAI).

ADONAI spoke one more thing to me before taking me out of that place; "The Spirit" revealed what I was witnessing and where this place was; it is the darkness that is inside every human being, the holding place where YAHWEH has separated the Darkness from the Light. It is the Grave [SHEOL], it is Death, and the captive place of bondage before the Final Day of Judgement (Revelation 20:11-15); and I am a witness that it does exist, more real than anything we have experienced in our human physical life on earth. IT IS HORRIBLE!

ADONAI made it quite clear, that this is not what He intended for Mankind; this is not what His Heart desired for us. This is a willful desire of the individuals here to reject the Free Gift of Salvation that ELOHIM has provided to every person ever conceived and born. It is the final outcome of their blasphemous and arrogant lives, where now, right at this moment, they are in complete and utter Eternal Darkness and fear and torment; not torment like being hung and having your flesh ripped apart from your body kind of torment, but FEAR, fear that is so intense and completely incarcerating that it engulfs every essence of your being. There is no goodness or love or satisfaction of any kind in the midst of the pain and anguish which is being suffered without substance of time, continuous and unceasing with no hope of any end in sight. This is what death has brought onto them, not an end to all things, but the everlasting beginning of unending torment. This is the outcome of complete and total separation from YAHWEH and the attributes you shared while you were alive in your body as a human being on earth. There is no

word in any language that can begin to describe the kind of fear which leads to utter torment like this is.

It must be totally understood that YAHWEH has completely and everlastingly provided a “way out” to this kind of end for each and every person who has ever been born. YAHWEH does not send anyone to Eternal Darkness and Damnation; they condemn themselves to it.

ELOHIM is not a statue or piece of jewelry you wear or icon you have hanging from your rear-view mirror.
ELOHIM is not a philosophy or religion or good feeling which comes and goes at our pleasure.
ELOHIM is not everything around us, He is the Creator of all things. There is only One God.
ELOHIM is not an unseen force that exists throughout the universe and has no interaction with us.
ELOHIM is Holy, He is the only One who is Holy.
ELOHIM is Love and He is Spirit.
ELOHIM is Eternal, He has No Beginning and He has No End; He was not Created, He is the Creator. He is the Judge of All of His Creation, He is YAHWEH!

As “The Spirit” commands it to be revealed, there is only One God the Creator of all things in Heaven and everything in the entire universe that can be seen and unseen. He has revealed Himself to His Creation as One God: Father (YAHAWAH), Son (Yeshua HaMashiach) and Holy Spirit (Ruach HaKodesh), One in the Same (ELOHIM). He has revealed Himself to all of mankind without exception as the Savior of Mankind; as the Son of God; as the Son of Man; as The Father to His Children who will receive Him as such; as Yeshua HaMashiach, The King of Kings and The Lord of Lords. **Make no mistake of it, He is ADONAI and He is ELOHIM!**
