And I show you a Mystery – Part II (At the Moment of Creation)

(Ken Walston – Kenna Outreach Ministries)

This now, is the testimony of what ADONAI is giving through His imperfect servant, in order that what He has shown may be made a credible witness to His Majesty and Holiness.

ADONAI has given me two great visions, one after the other, both of great significance and something that has been a mystery since the beginning of our human existence. What was it like the moment ELOHIM Created all things in Heaven.

This is now the second vision that I received and how ADONAI actually allowed me to witness and participate through it. As I was worshiping and giving my daily dedication to Yeshua ADONAI, the Overwhelming Presence of ELOHIM suddenly was around me. Then suddenly, The Spirit of All Life brought me into His Presence, which was Pure Light with no substance; the Glory of what ELOHIM is and has always been and continues to be. Absolutely no physical presence of anything, even I was transfigured from the physical, into Pure Energy (Spirit).

What I was witnessing, existing in, looked like a one-dimensional surface of Pure Brilliance. There was a resonance, the Resulting Sound of ELOHIM, Pure and Radiant, Holy and Good; there was nothing but Brilliance, like white shining diamonds glistening with a sound coming from all directions, the Harmonic of ELOHIM that no creature had ever heard yet, because Creation itself had not occurred yet. It was the moment before the Beginning of All Things in Heaven were Created, Pure and Virgin, it was the Presence of ELOHIM in His Glory, within Himself – Omnipresent.

Then, out of the Presence of the Almighty, the entire foreground of vision ripped apart and ELOHIM the Creator spewed forth what looked like Shafts of Brilliant Light, billions and billions of them. They seemed to reach out into this one-dimensional plane to infinity. Then the entire surface moved outward in all directions as if creating a three-dimensional sphere, which then surrounded a Center Point of Brilliance, much Brighter than the surrounding radiance, which I believe became The Throne of ELOHIM. It seemed like they all just hovered in place glistening with Radiance and a sound that had the appearance of the same harmonic as that which was coming from the Presence of the Almighty. Then a Tremendous and Raging Sound bellowed out from each Shaft of Light and brought forth Angelic Beings, Creatures of Substance of Light, Holy and Pure, Screaming into their existence Praises unto the Holiness of the Almighty God.

It sounded like a Roaring Thunderous Choir, Massive and Mighty, screaming in unison what sounded like “**Hallelujah!**”, long and sustaining with no end or break in between. They were standing, leaping, flying, moving in all directions Rejoicing. As I was watching at the moment it occurred, I was caught up in the midst of the Thunderous Choir and began Screaming to the top of my lungs in a manner that was not human. I was beyond my physical human capability in sound and hearing and in performance of my anatomic being. Nevertheless, there was massive strength and stamina through the course of time I was allowed to participate in this Glorious Event.

Just as this was occurring, it ended without warning or slowing, and I was made conscience again in my physical body. For a brief moment as I was coming out of this event, transforming from spirit back into my physical body I could hear myself Screaming from the Event and could feel my body falling fast and giving into extreme physical stress like I was about to have a heart attack and filled with complete exhaustion beyond any exercise I had ever been physically put through. As I battled to catch my breath, I began weeping and Praising ADONAI, for I knew that what the Ruach HaKodesh (Holy Spirit) had just shown me and allowed me to participate in, I believe no man has ever in this manner before.

As with other such visions that ADONAI has given me or allowed me to participate in, the Spirit instructed me to write this down and give it to the Body of Yeshua, my brethren. I have waited a month contemplating and praying over it. I have been afraid to even begin trying to explain what ADONAI bestowed upon me, that I may somehow distort the vision into something that I could receive credit for or give a false account of it because of my human frailty. All of this vision was something that is beyond our human comprehension and my ability to recant any of the actual feelings or substance of the Glory of ELOHIM connected to it. It was given to me as a man standing from a distance watching and then all of a sudden, I was in the midst of it participating. I witnessed and saw what I believe it was like and still is, before The Almighty Who Created all things in Heaven, when the substance of Being was within the all Inclusive Being of the Eternal; and I felt as a Being Created out of the Spirit, what God perpetrates from His Holiness. As Sons of ELOHIM, through Yeshua HaMashiach, we are given All Things in Knowledge and Wisdom the Mystery of ELOHIM's Purpose to those who love Him.

To Yeshua ADONAI be the Glory and Honour, Praise and Worship from His creatures on earth, just as it is being done from the beginning of Creation in Heaven to this very moment. Amen!

Let the heavens rejoice, let the earth be glad; let them say among the nations, "ADONAI reigns!"
