## **On Your Knees** (Ken Walston – Kenna Outreach Ministries)

This is the testimony of what The Lord (ADONAI) has purposed through His imperfect servant, in order that what He has shown may be made a credible witness to His Majesty and Holiness.

I am writing this out of great love, admiration and respect to the Most High, for He is divulging His Holy Purpose behind creating us (Humankind) as an extension of Himself, as His Highest Order of Creation. What the Spirit reveals to us is the residue of His Holiness and the Force of His Devine Power. He nurtures our Faith and becomes Life itself - *Adonai Eloheinu Adonai Echad. He is the Sovereign Lord God Almighty and there is no other god beside Him; there is no other! Amen.*

In the midst of a recent and very painful injury, ADONAI has given to me that the place to be is “On Your knees”. Like anyone who was looking to ADONAI for both help and understanding on why such an excruciating thing had to occur, Ruach HaKodesh (Holy Spirit) led me away from why God allowed it to happen and moved me towards the revelation on how this event and my painful suffering was intended to give me the opportunity to worship God in a fashion that would humble me as His Servant and bring Great Glory to His Name. Now, let me make it quite clear that I am not a masochist, nor a flagellant and I have never before used pain as a means to exhort myself towards worshiping God at a higher level of exaltation.

This was without doubt, an accident that I brought about by my own fruition, but according to God’s perfect timing was given to me as a means to demonstrate His Perfect Love. The opportunity for me to exercise Unquestionable Faith and to be humbled so that Faith would produce Worship in the truest and most purest form. This was not being perpetrated to punish me or chastise me. It was not God showing His Absolute Authority and Over-Handedness regarding any sinful nature that still existed in me or in my life. But instead, it was a show of His Great Love, Perfection and Oversight to bestow upon me an opportunity to Worship Him without any reservation or doubt as to His Supreme Majesty and Holiness.

I could tell that I was being approached by Him as a Renewed Creature, one that complete propitiation had been given to. It revealed to me that God is always with us, with those that Love Him. That He cares for us beyond any understanding that we can imagine. It was a cleansing of my Worship and an honour to see God as He really is, Faithful and True to His Word! But, and there is a “but” in this scenario, **He is Holy!** Far, far removed from anything that we can understand or equate too. His Ways are most definitely not our ways, for He is the Lord God Almighty, Holy, and far above all things that we can see or imagine.

The Voice of ADONAI came to me at that very moment in which I was immobilized and in great agony and hit the very depth of my spirit with Absolution, Mercy, Hope and a sense of His Holy Unwavering Love. At this moment when I was ready to call out to ADONAI for help, instead The Word said to me, “On Your knees”. I immediately took it as a Revelation, and I knew exactly what Ruach HaKodesh was saying to me as well as everything else He would say.

“On Your knees” is a show of absolute Humility, Respect and Surrender to the Will of God. It is not, nor should it ever be looked upon or revered as a human expression of protest or disobedience against authority.

As ADONAI was showing me His Love, I could feel myself giving into His Will through my Humility. The more I gave into humbling myself before ADONAI and outward worshiping Him, the more I could feel His Love towards me and this upheaval of love and respect inside of me for Him like I had never before. The more I concentrated on Him and the less I concentrated on myself, then I realized the true meaning of what Yeshua had said, “Seek ye first the Kingdom of God, and His Righteousness; and all these things shall follow.” (Matthew 6:33) The “all these things shall follow” are the issues we have in our human life (the desires and needs we are constantly bringing before God).

The deception that the modern Church (Laodicea) has been perpetrating and promoting as Believers, is that God is a “Fix It” kind of image, one who will give us the desires of our hearts if we only believe in Him and try not to sin any longer. In our thoughts and self-righteous attempts, hopefully we are praying the right way, saying it the right way and not asking to many selfish desires, but asking enough to get what we want. In many instances, the focus is totally on “us” and not on God. The point of desire is on “us” and not on God. The whole purpose for even believing in God is to bring about maximum benefit for “us”. This is the evil selfishness of our flesh and the desire to call God at will to serve us, instead of recognizing that He is the Lord, and we are to be the servant. The image that the church loves to use of Yeshua from the written word (Gospels) is that Yeshua projected Himself as a Servant to us. This of course is not the image that God ever projected Himself from Heaven, which is where Yeshua is Sitting at the Right Hand of the Power of God. He is not the humble servant acting in a human capacity showing us how to be humble, but rather, He is the King of Kings and the Lord of Lords. His face is brighter than the sun and He radiates Glory from His Being in all directions. When he speaks, all of Heaven falls to His Majesty and when He walks, the ground shakes and trembles under His Holiness.

The truth is, God has a Nature about Himself as well. He is Holy, and in His Holiness, He maintains a Standard that never waivers, which is far above what we could ever produce in our human being. The real mystery for us, is that the more we give in our worship to Him, the more we receive. The more we seek in Him through our worship, the more we find. It’s all about Worshipping God without restricting ourselves to us and our needs, and all these things shall be given unto you. Stop asking and start worshipping! The biggest heartache for the Almighty is that within His Desire for us to Worship Him, all we do is complain and suffer Him to do our bidding. The Church calls that worship, calling out to God for help. Asking and asking and asking and never completely giving of our heart, soul and mind to Him. To love the Lord your God is not just believing in Him but giving up your selfish desires and dying in them for Him! In the midst of your problems, in the midst of your personal wants and desires, stop asking and start worshipping Him, concentrate on Him like there is nothing else in your life that matters but Him. Make Him your heart’s desire, make Him your mindset, make Him your First Love and Master. Love Him so much that you have no cares any longer. Stop worshiping the creation (your world) and start worshipping the Creator (God).

He already knows our every need before it even occurs, before we even know about it, before we could ever ask Him of help with it. His complete Motivation with us is through Faith, Faith that has no doubt and no restriction through our Worship towards Him.

God was showing me that my transformation from sin to Salvation when I had called upon His Holy Name so many years ago, assured me a place in the Lamb’s Book of the Living and my

Eternal standing before Him through Eternity, but it was only the beginning of understanding His Desire for me to worship Him. Calling upon His Holy Name gave me (us) a rebirth, but in return He demands my (our) Worship (as a Believer and Follower of the Way, The Truth and The Life – Yeshua ADONAI).

When God proclaimed that He gave His Only Begotten Son, so that no one would perish, but that all could receive Eternal Life; that wasn't an act of Servitude on His part, it was the Sovereign Will of the Holy God being manifested. His fulfillment to pay the debt of our sins through the means of His Eternal Sacrifice (Yeshua HaMashiach) was His Act of Clemency towards all of humankind (Past, Present and Future).

In our fallen state (defiled sinful state of being), in which our spirit occupies this physical flesh body, we are destined to replicate repeated acts of our sinful nature, which is the natural cause of Calamity in the physical universe and in the human World Order, not to mention the outcome of Death as a result of it's curse and punishment as Commanded by God. God did not Command our disobedience towards Him, even though He created the means for it to occur, His Faithful Hope in giving us a Free Will to choose the outcome of Righteousness and or Evil, was to bring Glory unto Himself, through our Faithful Attendance of acknowledging His Holiness. All things in Heaven and on earth, where Life Emanates from and is extended too, has the same Devine and Holy Purpose in its Creation, which is to Worship Him who Sits on the Throne and to bring Great Glory and Honour to His Holy Presence and unto His Holy Name.

I want to tell you what ADONAI has revealed to me about His Displeasure with the Church, the Body of Yeshua HaMashiach, which is the assemblage of the Church, not its membership, but the complete accountability of each and every person written in the Lamb's Book of the Living. It is to this accountability that God has Ordered His Salvation and Eternal Life too. The natural order that God has Commanded all of Creation is to Worship Him, and I also tell you that the Body of Yeshua ADONAI (The Church) is not Worshipping, it is a show and the Spirit Greives because of it.

I tell you, that the world gives Him no Worship, the world is dead to Him and will most definitely fall under His Righteous Judgement into Eternal Damnation. But, it is the Assembly of the Church and the so-called "Houses of Worship" which are in many instances, no better than the world, in fact they fall under even greater condemnation because of the false pretense in which they bring damnation to their parishioners. Blind Guides and Serpents full of venomous poison promoting the outward appearance of what looks like a mitzvah of worship and holiness, teaming with performance and show, adorned with glamor and a show of wealth and pride, but the Church has no idea what true and faithful Worship towards God is. The kind of Worship He is wanting for and requiring in His Desire from all of His Creation.

He collectively brings all individual worship together unto Himself as the True Assembly of Believers in the Church. Our Assemblage and gathering together for what ever purposes, is not the Command in which He Desires our Worship. This is for our benefit, to gather together and have fellowship only pleases God if the outcome is to Worship Him. It is not to make a show out of the gathering together as if it is a Sunday obligation or holy assemblage of the faithful, or business club setting or to get away and isolate from the worldly order of things. Yeshua said that when two or more are gathered in My Name, I AM in the midst of them. He is being Faithful in always being there when Believers gather together for one purpose only, and that is to Worship Him. He is automatically in their midst because He is willing and waiting to Receive Worship and thus be Glorified in the Midst of the gathering together of Believers. The mere fact that some people (Christians) get together and talk about God or discuss the Bible is not the kind of

Worship God is waiting to receive. Worship is not the awareness of God or the intellectual knowledge and teaching about God; it is the individual expression of Spirit felt Love and Servitude to hunger for God without wanting or receiving any benefit in return. When Yeshua said, “If you love me, then keep my Commandments”, was not a proclamation for us to live by the law, but the single Commandment, “to Love the Lord Your God with all of your Heart, Soul and Strength”, “and to Worship no other”. The whole theme of this proclamation is based on one thing and one thing only, WORSHIP! God demands our Worship. It is the Highest Order of our Purpose with Him. There is no other reason for our existence except to bring Him Glory through our Worshiping of Him. Our fellowship with each other is ordained by God for nothing less than our Worship of Him. Let’s make it quite clear here, this is not about us or our blessing from God, or God giving us anything; this is all about God and Him receiving from us our faithful and unadulterated Worship so that He is Glorified in all that we do!

When we go “On Your knees”, we go before the Throne of God, Naked, Asking Nothing for ourselves, keeping in mind that He and He alone is God Almighty and is Totally Worthy to Receive Great Glory and Honour. We can not bring any Burden before Him in asking for ourselves, but rather we lift up to Him our Pleasure of Praise and Honour and Worship to Him that Created All Things in Heaven and Earth and Everything within it.

The mystery in all of this for us to grasp hold of, is that Yeshua ADONAI and Elohim are One-in-the-Same, and that ABBA and Yeshua ADONAI are One-in-the-Same, and that Ruach HaKodesh and Yeshua ADONAI are One-in-the-Same, that Elohim is [ABBA-Yeshua ADONAI-Ruach HaKodesh] all One-in-the-Same (ADONAI Echad). That there is no other Source of Holiness in Heaven or on Earth, and that all Worship is to be directed and given only to this Source and no other.

Always go before God “On Your knees”. Ask nothing, only Worship Him who has the power to kill both spirit and flesh. Fear the Lord your God and come before Him “**On Your knees**”.
