What is the Love of God? (Ken Walston – Kenna Outreach Ministries)

From Ken, who is an Elder in the Church and by Faith proclaims this message to be one of truth and acknowledgement from the Spirit of ADONAI and is revealed as such for His Purpose. It must be recognized that only through a spirit of humility and heartfelt worship and servitude does God honour our request to serve Him. ADONAI has again given to His imperfect servant insight regarding the mystery of God. As it is being given, may it be received.

To all who will read this: those who are in the Light and called to follow the Way, the Truth and the Life, sanctified by the Truth and redeemed by the Sacrifice of His Forgiveness; or to those that follow another path which leads them down dark corridors stumbling away from the Light and It's Truth, guided by the Ways of Deception and the Mouths of Liars, living in darkness and heading towards Desolation.

The Path of Righteousness is guided by the One who sits on the Eternal Throne of Glory and His Unconditional Love which is the Source of His Power and Emanates throughout all of His Creation in Heaven (His Abode) and on Earth (His Footstool). No conditions of our human sin nature or fallen state can alter how God Expresses His Love (Goodness) and Essence towards us. He is unwavering in Righteousness and Purity of Faith; His Power is Everlasting and Eternal.

The Essence of God is Spirit, for God is Spirit. Because He is Spirit, He is Eternal, with no beginning and no end. He does not have a physical body and by virtue of this, He is able to be Omnipresent and not limited by physical location. Because He is Spirit, He is also Omnipotent, having unlimited Power, able to do anything; He is not restricted by Himself, there is nothing above or beside Him in Majesty, Glory or Power. As well, because He is Spirit, He is also Omniscient, having unlimited knowledge, having no limits to His ability to know everything in His Creation (Past, Present and Future). Because of this, all Knowledge and Wisdom comes directly from Him to His Creation through His Spirit (Ruach HaKodesh) and He chooses what is revealed for the Purpose of His Glory and Honour. He is the Most High.

There is only One God (Elohim - ADONAI) and He is within Himself ALL THINGS, and All Things in existence, either in the Physical or Spirit Realm, came out of Him, Everlasting to Everlasting; and All Things continue to exist because of a Command that He has given and which continues to go forth through Eternity according to His Will and for His Purpose which Glorifies Him alone.

The Love of God is not part of His Creation, it is not Human nor Angelic, it is not cosmic or metaphysical, and it is most definitely not a feeling or an emotional expression. The Love of God is Spirit and His Eternal Glory and Essence. All Things came about because of the Love of God and through The Word of God (Yeshua ADONAI).

Unlike God, we (humans) have been created in the likeness of Him, through His Spirit. We are spirit beings having a Physical Human Experience. This is how we share in His likeness. It is the Spirit which is inside of each and every one of us (the Life Force) that reflects the likeness of God, who is Spirit. This is why God said, "You are gods" (Ref: Psalm 82:5-7, John 10:34), which in the Written Testimony (The Bible) refers back to the beginning of what God intended when he created Humankind, "Let Us make man in Our Image, after Our Likeness." (Genesis 1:26) God is Three-Fold (Elohim) yet one God (YaHaWah-Father, Yeshua ADONAI-Son, Ruach HaKodesh-

Holy Spirit). We as well are three-fold (Human) yet one person (Body-physical, Soul-mind, Spirit-Life Force-*which comes from God*). This is what ties us to Him in our order of Creation and our standing with His Eternal Purpose to exist as the Highest Order of His physical Creation. This was God's Purpose and Will, that in His physical creation He Himself would have a physical representation of His Essence as a physical being and that physical being would be the highest order of His physical creation (Human-Man).

This also is how God would right the wrong that man did when he broke ties with his covenant through disobedience and blasphemy against His Spirit. God (Elohim) would depart from Spirit in order to join once again to man (through flesh) in order to bring restitution under the sanctification of the Law of Atonement and bring about the Propitiation of Sin, in order that all mankind could call upon God with a Heart Felt repentance and receive the Salvation of God and the Gift of Eternal Life in His Presence. This was accomplished through Elohim as the Word of God being manifested as flesh within the human creation in order to represent God as Man and thus bridge man to Him through the Love of God, by way of an Eternal Sacrifice appeasing the debt of man's sin owed to God and Final Atonement made through the Word of God (Yeshua ADONAI).

The misnomer and deception is that we as humans think we understand what God is and what His Love embraces us with. The best we as humans can conjure up is what our human psyche is capable of in some form of metaphysical philosophy, religion or occult mysticism, which totally relates to God in a mental or spiritual state of mind. There is no "Being" to God under that essence, God must become part of us in a humanistic manner in order for us to grasp what we think we are experiencing from either a supernatural or spiritual norm. It is a delusional state and even gives way to humans believing that they are somehow God, a deity in and of themselves. In order to fulfill this fantasy, they even try to project a deity-like appearance, dressed in holy robes or mystical attire, giving themselves titles of holiness and eminence, with actions of love and patience in how they conduct themselves with others, it's all "a show".

Unlike how God actually projects His Holy Eminence, they project their frailty of love in manners of goodness that somehow, they believe God reflects Himself to us through a show of Love. Outward and overt friendship and caring, emotional touching and hugging, happiness and uplifting speech and talk, physical attractions which eventually become obsession. All of this is of course temporal, because of the sin nature in all humans, we cannot continue this kind of charade for long sustaining periods of time. Our true nature of sin and corruption eventually comes out in front of the imaginary love of God we are trying to project. No matter how much you try to love, something in your sin nature will circumvent it and you will find yourself within an internal turmoil. A good natured and understanding personality is not necessarily a loving one. We always have conditions associated to our love and it is self-serving, self-gratifying and selfish.

Because we are in a state of separation from God due to our physical sin and the nature of it (our Human Nature), God reveals Himself to us through sustaining Virtues. These have been expressed through three distinct Anthropomorphisms (Faith, Hope and Love) and the greatest of these is Love, because God is Love. But, because we cannot identify or relate to the specifics of what God's Love is or the conditions associated with the Unconditional Love of God, we have to try and associate them with what our sinful character and mind can understand and that is attributing them to human characteristics or behavior through what is called an Anthropomorphism. These characteristics are human and found throughout the Bible which frequently utilizes this approach, ascribing human-like physical qualities to God in order to give us a better understanding of what may be His Character and Actions by viewing them through a venue that makes sense to us in our physical and limited environment. In other words, we must bring God down to our level and in the process of doing that we limit ourselves to ever being able to express a true form of Worship towards Him. Nevertheless, if we did not approach our ability to

understand God in this manner, then we would have no recourse towards any form of acquiring Faith or manifest Worship of any kind. In the sense that we express what God is in His Love, the Anthropomorphism for His Love is actually what we would see as the expression of His Goodness.

The one true overt statement that comes out of the mouths of the self-righteous or the misguided is for anyone of human origin to say, “let the Love of God come out of you” or “be one with God by allowing His Love to emanate from you to others”, or the most self-servicing and ideological iconic statement which most Christian religious say, “be Christ-Like”. It borders on blasphemy and the servitude of total self-righteousness. The Love of God is not passed to His human creation as if there is some kind of physical manifestation or gift which is poured out on the Body Faithful. If there is a goodness that is passed on from human to human through the act of “Love” which seemingly comes from God, then it is only due to the mercy and prominence of what Elohim has shown through the witness of the Godhead to the human creation by means of His Visitation to earth by the promise of Mashiach (Anointed One) who is Yeshua ADONAI.

It is by no means enough to just believe in Yeshua ADONAI without understanding that He is God manifested in human form and brings with Him the Father’s Spirit so that Salvation could be expressed through “The Love of God” and all creation once again be brought under His Sanctification. It is Yeshua that is Love, not us, and it was Yeshua who first showed us Love and it was not a human kind of love or expression. To believe in the sacrifice of Yeshua ADONAI and be redeemed by Him through the forgiveness of all sin and by the subsequent act of clemency and propitiation to allow by an act of faith (which has no doubt) on our part in receiving for the asking, both Eternal and Everlasting Life in His Presence through the Unconditional Love which He has Purposed in and of Himself according to His Will and for His Eternal Glory, which is that of YAHAWAH (The Father God).

Elohim has given the expression of The Son (Yeshua ADONAI) to all of mankind as their Saviour and Advocate Representative and receive all things in the Purpose of what God the Father has freely given through the Essence of His Eternal and Unconditional Love. This stands apart from anything in all of His Creation. It is the Power and Prominence of His Spirit and Holiness.

It is an insurrection and utter blasphemy to compare anything in the Creation (in Heaven or on Earth) to be what God is or was or could be, except the manifestation of God the Son through Yeshua ADONAI. This is the only part of the Godhead that we can identify with and could ever imagine having a relationship with what is considered The Love of God.

The Love of God is Holy! The Love of God is His Spirit! The Love of God is Eternal!

To all who have given their life and worship to Yeshua ADONAI, be assured that He has written a New Name for you in His Book of the Living, and you shall have a place with Him in His Kingdom forever; for He has cast your sins from His memory (Presence) as far as the east is from the west and is your Advocate to the Father God.

To all who have blasphemed and rejected the Word of God and His call for repentance and His Free Gift of Salvation, you shall not be found written in His Book of the Living, and on that Day when He shall Judge all of the Living and the Dead, you will not receive a place with Him in His Kingdom, but rather, on the Day the God shall Judge all things, anyone not found in the Book of the Living shall be thrown into the Lake of Fire where they are separated from God and in torment forever.
