MY CHRISTMAS MESSAGE (Ken Walston – Kenna Outreach)

From a Believer in the One True God, Yeshua ADONAI, The Spirit of God is once again conveying His Displeasure with all of the inhabitance of this planet, especially the “Body of Yeshua” (The Church). God is not pleased with the behavior of The Human Race, His Highest Order of Creation and the Heirs to His Salvation. The Word still stands in jeopardy and condemnation by saying, “Not one is righteous!” That, everything we do is as “Filthy Rags” to Him. Yet in all of this, God the Father (**Yahweh**) has given us all a way out, by first giving Propitiation of our Sins and providing us with His Everlasting Salvation through the Death and Resurrection to Life of His Son (Himself-Elohim) making anyone who will receive the Son of God (**Yeshua**) to become Heirs to His Kingdom and a Righteous Standing in His Sight.

The meaning behind what **Yahweh** was doing in the physical birth of the Son of God (ADONAI) and the foregoing proclamation and announcement by Angels was not to men for good tidings; but rather was the announcement to the fulfillment of God’s Prophetic Word to Redeem all Mankind back unto Himself and end our captivity to the one thing that separated the first man (Adam) from God and his seed thereafter...SIN! The second and Most Important announcement to all of mankind was in the physical manifestation and fulfillment of the Law of Atonement so that our Sins would no longer be a credit accountable to God, but the Propitiation (clearing of that debt by God) and payment in Full forever as an Everlasting Covenant between God and Mankind. Therefore, the Son of God became the Everlasting Covenant as symbolized as the Lamb of God, the sacrifice given for the Atonement of Sin Forever. The Law now being fulfilled, the act was no longer needed to be performed. The One True Expression of God’s Unconditional Love for us is in the fulfillment of the Lamb of God to be the slaughtered Passover Sacrifice whose Death and subsequent Resurrection back to Life is the Final Act to Redeem Mankind and give any of us who rest in His Redemption to share Everlasting Life and a place with Him in His Kingdom Forever. Therefore, Yeshua is the Complete Point of Worship, from Everlasting to Everlasting. He has No Beginning and No End and for us to concentrate on one or the other, leaves us open to a false intent and a false witness. We are to celebrate the One True God in our Faith and Worship continuously, not through any point of Calendar Event or Holiday, which gives precedence to those events as being higher recognition than our Daily and Momentary Worship.

As the celebration of Christmas once again motivates the world into the sale of all kind of goods and products in the form of Gifts, the focus is towards the commercialization of the event on December 25th and reaching even higher profit margins than from the previous year. The Baby Jesus and the Holy Family are once again put on display as a show of the Christian Religious Icons which reminds us of how special this time of the year and this event really is. In fact the reminder and celebrating begins earlier and earlier each passing year. The marketing aspects used to begin right after Thanksgiving, in the infamous “Black Friday” fiasco, but as the world and even Christendom itself become more and more secular this “Cash Cow” is being displayed right after all the Labour Day sales events; and as a first, this year, in some places here in the United States it started right after the 4th of July.

More money is collected and donations made than any other time or occasion of the year, and the Churches and religious organizations all look forward to the Faithful bringing in the last vestiges of required tithings in order to meet their total annual financial quotas. Like any other business or corporation, the Churches need their money, and besides Easter being the only other major event in the Christian celebration which packs the House and has the ability to fill the coffers, Christmas is the Motherlode. But we must not lose the perspective on who and what is the focus of this celebration.

The reason Christmas has such a great marketing effect on the entire world, especially the Christian Sect Religions, is the focus on the Divine (God), but this of course has become perverted as the world has made it into "One in the Same", and the Christians have "Bought" into the idea that Giving somehow is the same as worship towards God. Like going to church every Sunday, this kind of Celebratory Giving makes you feel good, like it's an extension of your own family, like you are performing a function that is Godly and Holy. It releases a mandate according to the Law to at least once or twice a week give some tithing and worship towards the Thing you call Holy. You claim it strengthens your Faith and brings into perspective what God wants us to do in Fellowship; again the reality that it is a mandate fulfilling an obligation towards the Law.

Where did all the idea of Gift Giving come from to begin with. It all started Pre-Roman Days, when the Greeks gave homage to their gods for everything from good crops to good luck and having many children. The Hebrews had set days of the year in which they gave Tithings and Offerings to their God according to the Mitzvah's that God ordered. No gifts were giving individually because it was seen as an offering of idolatry, only offering and Tithings were given to God through the Tabernacle (in the Wilderness) or The Temple in Jerusalem. Our current practices of giving Presents and Gifts to each other come from long standing heathen traditions, mostly Roman in nature and thus in Christianity came through the Catholic Church doctrine. Seen as a fable set around the Gifts that were given to Jesus by the Magus (Magi or Wise Men from the East), the tradition of the Masses of the Faithful giving Gifts to each other reconciled that act as Holy. But, as anything created by men and tradition, it soon became corrupt and perverted towards the Holy Relic it was supposedly paring.

The Modern Church (Laodicea) has such a membership of Perverts and Heathenistic following, because as Yeshua ADONAI spoke about these Times (The Last Days of the End-Times), people are Doers of Evil and Haters of God. They worship the identity of God (Superficial-All Show) , but not the True Form of God (Spirit).

The Birth of Yeshua ADONAI was never meant to be a Celebration, nor be made into a heathen ritual as it has been exploited by the Church and the World and especially as we express it in these Last Days of the End-Times. The Almighty is not a baby in a manger or a child that needs to be protected by his parents or schooled by any fashion of earthly proportions. He Was, Is and Will Always Be the King of Kings and the Lord of Lords. The only ones who saw that Truth were the Wise Men from the East when they gave the Prophetic Gifts of Honour, Praise and Glory to the only King and God that had appeared before them on Earth (Then, Now and Forever). The whole purpose of Yeshua being Born and living as a Human was to appease Yahweh's Atonement of our Sin and to fulfil the entire purpose and Righteousness of the Law of Moses in order to bring an end to our Captivity under the Law and of Sin.

Righteousness prevails not because of His birth, but because of His Sacrifice to do what no man could do, which was to take away the Sins of the World and Give us Everlasting Life. The celebration is that Elohim stepped down from Heaven (The Holy Place) and rendered Himself a ransom for His Highest Order of Creation in order that we may receive Salvation from the Death of Sin and Live Forever in the abode of God and share in His Kingdom forever and not be condemned to damnation as the Law orders us to be. We have been Saved by Grace, and that is the Real Celebration!
