How Powerful is the Truth?

(Ken Walston – Kenna Outreach Ministries)

Is it enough to just Know the Truth?

Is it enough to just Believe in the Truth?

Is it enough to Work within and for the Truth?

The **Truth** is so powerful that it made all things in Heaven and in the physical universe; and He set forth the Command which is still going forth for all these things to exist and remain in existence.

The Truth is not human, it is not carnal but rather Spirit.

The Truth became flesh and lived among us and is the very Essence of God.

The Truth created all things that are visible and invisible.

The Truth cannot substantiate a lie, nor have any fellowship with a liar.

The Truth had no beginning and has no end, He is Holy, Eternal and is God.

But you say:

I thought God was *Love*.

I thought God was *Grace*.

I thought God was *Mercy*.

I thought God was All Powerful.

These are ALL the Things that make up what God is to His Creation, but the Truth is what makes every Human Being hunger for God, and quenches that unquenchable thirst for knowledge and wisdom.

Truth is the reality of Christ, and under Him comes the basis for all Truth; and this Truth is Eternal Life and Everlasting Peace.

When the Lord says that, "*My Ways are not your ways*", and that He is above us in ALL manner of being; we do not comprehend that it means He is incomprehensible to us. To be Above your Ways means that you are not at the same level; that you do not share in totality with Him, that you cannot ever comprehend the True Essence of God, that even given an Eternity of gazing upon His Glory, we will never be able to absorb or see the completeness of God in any manner. He is Holy, without any beginning and has always been the **Great I AM**. When Moses asked the Lord God Almighty, "who do I tell the people sent me to them? They will ask, what is His Name? what shall I say to them? And the Lord God answered Moses, "***I AM WHO I AM***", and He said, "*Thus, you shall say to the children of Israel,* ***I AM*** *has sent me to you*."

The Lord has shown me, that we have made no cornerstone to anything that stands Forever; no foundation that anything can stand upon and not crumble or be destroyed. We have not prepared

a place that God can Live in our Midst from Everlasting to Everlasting. We have no power to shape the universe into what it is for His Pleasure, nor Created the Earth as His Footstool; but it is He who has done all these things; and He has brought forth ALL Life in Heaven and on Earth. All things seen, and unseen came from Him and were within Him before there was a Beginning of All Things.

There is no vernacular in all of Creation that can describe or justify the Greatness of God and His Holiness. Not even the *Glorious Beings* that surround the Throne of the Living God have understanding of the Greatness and Eternal Wonder of God, yet they pronounced Him as “Holy, Holy, Holy is the Lord God Almighty!”

God has revealed His Shekinah to His Creation, where the Spirit becomes the physical evidence of God’s Glorious Presence.

Abraham witnessed it when the Presence of the Lord came down upon Sodom and Gomorrah and passed Judgement against them. Moses saw it in a Bush that Burned like a fiery torch but was not consumed and the Thunderous Voice that came from the Fiery Cloud that surrounded the mountain of God; he saw the fiery finger that carved out the words in stone as the Commands of God on Mount Sinai. The Children of Israel witnessed it for forty years wandering in the desert, as the Presence of God in a Cloud that hovered over them by day and a Fiery Torch that surrounded their encampment at night. Shadrach, Meshach and Abednego witnessed it when the Lord appeared in the midst of the fiery furnace they had been thrown into and saved them from being burned up alive. Elijah saw it when the Fiery Presence of God came down and consumed the Offerings of the prophets of Baal. The Apostles saw it with the Transfiguration when the Shekinah came upon and through Yeshua on the mountain. The two Roman Soldiers saw it when the Son of God stepped out of death and into Life and the Presence of God shown brighter than the sun in the midst of His Crucifixion Tomb. Saul of Tarsus saw it on the road to Damascus when Yeshua appeared to him as a Fiery Light brighter than the Mid-Day sun. The Apostles and many witnesses saw it on the Day of Pentecost, when the Holy Spirit was given back to mankind and the Glory of God came upon their heads and the Secret Truths about God were now being revealed.

As humans we are born into sin, our minds are constantly filled with humanistic doubt and we are encapsulated in the five senses of our being. It is indeed a miracle that any of us ever receive Yeshua ADONAI into our hearts and the knowledge of the Truth be received into our conscience minds.

There is not enough good works or positive motivation that any one of us can do to put a crown of glory on our heads. Not in a lifetime of service towards any measure of charity or the amount of giving of one’s own wealth can this appease the nature of our sinful character in the Eyes of God. We are accepted by God not because of our “Good Deeds” and works, but in spite of them. For what we do in our human ability, in our fallen state of sin, is but filthy rags in the Eyes of ADONAI.

Belief in something does not circumvent the Truth.

Wishing you well or passing along positive thoughts and energy to someone does not impart the power that will Command these things into reality. The cosmic energy of the universe is not the Divine Presence of God and the idea that humans control their own salvation and destiny is a Lie. YAHWEH has given each and every human born a “Free-Will”. This sets man above the other creatures on this planet to interface with the Creation and with God without restriction. It also determines the outcome of each human born as to their pathway and destiny in this life and into Eternity.

The truth is all humans are Spirit Beings having a temporal physical Human Experience. We are Eternal Beings made in the Image of God, and God has chosen that we have a physical form (Body) which will also be Eternal. YAHWEH has determined that this pathway into our Eternal Being will travel on only one of two directions. Either into His Eternal and Glorious Presence through the Salvation that He has provided or towards Eternal Damnation as the result of His Holy Judgement against the Blasphemy of not receiving His Free Gift of Salvation. Either way, it is determined by the Free-Will that God has given each of us; we make that decision for ourselves. God's Will is that no person go into the Judgement that leads to damnation but receive the Free Gift of Eternal Life through Yeshua ADONAI.

The assumption that to Live for ADONAI is to live in total disobedience to the Flesh, is a distraction away from the Truth. We can in no way shed our sin nature, just as we can in no way shed our skin. It is part of our inherent being, born into sin, and must be transformed into a new being (Born Again) by the Redemptive Power of God, through Yeshua ADONAI.

ADONAI has declared His Presence through everything that He has Created and has set His Standard for all things to go forth in Perpetuity. God has only sanctioned man the ability to reproduce what He (God) has created in Righteousness. Each species reproduces after its own kind. He has not sanctioned our manipulation of the creation to our desire or science in order to pervert any form of it to our liking or invention. To take the natural order of what has been created by God and change it into something unnatural is an abomination and a perversion which will fall under His Judgement and Wrath. Woe to all who fall under His Wrath, for God will not be mocked, nor is the Truth to be made into a lie!
