The Resulting Sound of God (Ken Walston – Kenna Outreach Ministries)

*From Ken, who is an elder within the Church, this is my eyewitness testimony and what the Spirit of God has given me to reveal to the world, according to what I have seen and been given as a witness of what God has prepared for those who Love Him! In Yeshua ADONAI, who is the **King of Kings** and the **Lord of Lords**, He is the One who sits on the Throne of God (Elohim) at the Right Hand of the Father (ABBA) and has revealed these things through the Spirit (Ruach HaKodesh), to His imperfect servant who loves Him so that He may receive Glory and Honour, AMEN.*

In Heaven, you are in the complete and unrestricted Abode of God. It is not only where He Reigns from, but where His Power originates from. You are immediately aware of His Presence in everything and your mind is so clear that you can concentrate on as many things as you wish and each thing is as if it is the only thing you are concentrating on, yet you may be concentrating on many things at the same time with full cognizant understanding of all these things. Your entire being is set on Faith and there is not a bit of doubt in what you are seeing or thinking nor anything around you or inside of you, Faith is the focus and the force that is Majesty in Heaven.

This is what it is like, this is what it will be like once God brings All Things back unto Himself and we are standing before the Almighty in our New Body (Resurrected Being)...You are aware of everything and everyone you meet, you know their names and feel that you have always known them. When gazing upon the Throne of God, all of your senses witness the absolute and Unconditional Love that emanates through every molecule of your being, down to the atomic level in a manner and way that has never been expressed or seen in your existence or experience while living in human form on the earth. There is no sin or conscience of evil to object to God's Love or interfere with the Will of God. There is no Adversary or tempting forces opposing God's Eternal Love and Perfection.

There is a calm stillness and serenity of peace which engulfs you and is within the atmosphere and all through the environment in every direction going to infinity. From the Throne of God, His Light is permeating through all that He has created. There is no darkness, there are no shadows hiding behind anything, just pure light, pure energy and pure force radiating in all directions coming out of everything; the ground, the sky, the clouds, the flowers, the trees, every creature you see, the mountains, the water, the streets, the fruit on the trees, any structures or buildings, everything!

Within the stillness and peaceful serenity, you feel and hear a vibration which is coming from the Light that is emanating out of everything and coming from every direction. It is the Resulting Sound of God's Glory singing forth and is a beautiful meditating and surreal sound. It is indeed glorious and brings forth the Peaceful Serenity you feel. You are constantly surrounded by light and sound, but never to the point of confusion or your inability to withstanding His intensity. There is also unbelievable music, like you've never heard before and the sounds of beautifully orchestrated melody which seems to have no beginning and no end and fits the surrounding situation you are in at the moment. It follows you were ever you go, but there is no sense of origination or volume, just peaceful and perfect. There is no aggravation or annoyance of any

kind, nothing is too repetitious or boring. Things appear and you move through panoramic scenes of unspeakable beauty and pageantry.

You have your five senses (sight, hearing, taste, smell and feeling), but these are purely enhanced beyond your human created state. There are so many new things manifested before you that you've ever seen or imagined on Earth. Things that could only be in Heaven where the Holiness of God's Perfect Will exists; things that cannot be in the presence of sin, which God cannot manifest on Earth because of the sin which exists there. You can sense the absence of time but are aware of Eternal Existence. The mere fact that you can gaze upon the Throne of God and see His Image without any restriction gives you a complete sense of security that you shall live forever. Everything emanates Love and Peace which completely surrounds you Eternally. You are totally and completely aware of where this Love and Peace is coming from, it is the One who sits on the Throne and is called the **Holy of Holies**. Nothing is without Praise towards God, everything and everyone is constantly and willfully Praising the One who sits on the Throne. He is constantly speaking and conveying the Word of God and His Oracles to all of His Creation. His Voice is like substance that fills your starving hunger and satisfies an unquenchable thirst. There is no want or care, no need for a request or supplication; no condemnation or repentance, no judgments or injustice, no crying or remorse, no laws or restriction, no revelations or prophecies, there is no doubt or questions to be answered; just pure substance of Truth and Unconditional Love...Utter Holiness!

The communication in Heaven between God and His creation is through His Spirit. The Mind of God and the Being of God are one in the same and there are no restrictions in receiving ALL Things in Righteousness, no guilt of unworthiness or doubt. You cannot see the beginning or the end of anything, there is no birth or death any longer. Everything is as God is, Eternal! You see and witness the true Essence of God and He fills everything with His Radiance and Love, which is His Radiance and His Glory. God does not make you worship Him, you want to worship Him! Every fiber of your being is in love with him and your uncontrollable desire is to worship Him. Everything and everyone in Heaven is constantly worshiping God and it the most beautiful sight to behold Forever and Ever! Amen.
