Message to the World / Message to this Church – Ken Walston (Kenna Outreach Ministries)

From Ken, who is a Believer in **Yeshua ADONAI (Jesus the Lord)**, one who has received the Calling of God to be a teacher, and a witness to His Majesty and Holiness.

As I was worshiping and contemplating God and His Greatness, The Spirit of All Life opened before me a witness that I was encouraged to share with you all, for not everyone who reads this will share in His Testimony nor in His Presence without condemnation of the Eternal Judgment.

This is now the testimony of what God is giving through His imperfect servant, in order that what He has shown may be made a credible witness to His Majesty and Holiness.

ADONAI was standing at the Fire Alter with His Arms extended, His Eyes like Brilliant Blue Sapphires, He was adorned in glistening brilliance, like shining diamonds brighter than the sun and He had a Golden Crown on His Head. His Face was so brilliant and radiant that all I could see was Pure Transparent Light coming from Him, not like the light from a lamp, but Pure Transparent Glory going in all directions Forever. When He spoke, all of Heaven quaked and everything fell in Worship towards Him. He was Commanding when the Spirit spoke to me saying: *“God’s Grace and Mercy is against us (It Opposes Us), because of the constant Sin Nature of our flesh (Human Nature); but because He has Complete Power and Authority over all aspects of the Creation and by His overwhelming display of Unconditional and Unwavering Love, He has chosen to forgive us all by Virtue of His Sustaining Love and our heartfelt willingness to exercise Faith in receiving the Word of God (Yeshua ADONAI) as the only recourse to Everlasting Life”*.

His Power currently Sits with Him on the Throne of Mercy (The Mercy Seat) regarding things in Heaven and on Earth; but the Day is coming and is already here when He will then Sit on the Judgement Seat of God and Judge all of the Living and the Dead. No one will escape His Judgement and it shall be the Righteousness of His Mercy and Grace that casts all who are not found in the Lamb’s Book of the Living into the Eternal Fire and separation of His Damnation.

The Day is coming and is already here when Adonai shall gather His People (the Living and the Dead) together to the Assembly of the Most High, and the Radiance of His Glory. His Face is that of a billion suns shining through all of Eternity with Glory exceeding all that exists, above all things and high above the Heavenly Hosts, not even the Holy Beings that surround His Throne can gaze upon Him. His Kingdom is His Abode and we shall have our rightful place sharing in it.

He is not a man and we are not men in the form of our previous physical existence; but rather Spirit that is of Everlasting Form and Glorified Substance just as He is. We are not like the Angels, but rather His Highest Order of Creation and the Heirs to His Salvation. We shall gaze upon His Glory and be given the Judgement of the Angels.

Faithful...be in One Accord with the Word of God (ADONAI) and not restricted by the Law or your guilt toward sin, but rather receive All Things in Righteousness, for He has allowed us to receive His Grace and Mercy and All Things in Righteousness through our Faith that has transformed us from being His Enemy to the Children of the Most High, and with that comes our inheritance.

Don’t let the Enemy still your Inheritance by giving you a false hope or a false testimony that steals the Free Gift ADONAI has put before each and every one of us. This life is not the Free Gift from

God, nor any form of abundance in this life. The birth that we have received through the flesh is not the Free Gift. The Free Gift from God is our release from the bondage of Death, Death which has come about because our inherent sin (disobedience and blasphemy) towards God, the Creator. Nothing in creation could redeem us from such a grievous disparity against the Holy God. He is Righteous in condemning us since mankind chose to rebel and stand in condemnation against the Holiness of God (the Creator).

Only God within Himself could render propitiation of our sinful character and the artifacts of sin which had accumulated before Him. His Purpose was to show His Power of Redemption through His Love in the form of Grace and Mercy. Because Sin brought about the Law and it was the Law that was condemning us, then God had to fulfil all Righteousness through the Law Himself, thus nullifying the Atonement (Covering Over) of sin and bring about the absolute Forgiveness (Propitiation) of sin Forever.

It is not the Spirit that needs to be redeemed, but the physical creation. Even though the Human Spirit is in need of being reborn, the Redeemer had to come as part of the physical human creation in order to do that. When Yahweh purposed Himself (Elohim) to redeem mankind, He did so as birthing the Man-God (HaMashiach Yeshua), the Second Part of the Godhead (Elohim) who was ADONAI. When Yahweh purposed Mashiach to redeem mankind unto Himself, he did so according to the Law under the Mitzvah of Atonement. This meant that in order for the Atonement to become Propitiation of sin, then Yeshua HaMashiach would stand in for the Blood Sacrifice and take the place of the Lamb to appease God's anger against all Sin and thus Render Eternal Forgiveness of Sin once and for all. By doing it this way, Yahweh was taking the symbol of the High Priest, the Temple and the Law of Atonement unto Himself (HaMashiach Yeshua) for all mankind Forever. There would be no need to continue the act any longer nor the fulfilment of the Law, which had been completed by ADONAI. God has given complete Clemency to all mankind (Past, Present and Future).

Now, the mystery in all of this is that Yahweh purposed mankind to be not only forgiven of their transgressions against the Holy God, but to be completely redeemed so that humankind could stand before Him as a New Creature and share in His Kingdom. Therefore, Yeshua ADONAI would be the Eternal Sacrifice by His Death, but the act of redemption would have to extend to His Resurrection from Death to Life by the Power of Yahweh. Once this had been accomplished according to the Will of God, then the Power of Man's Redemption was through Yeshua ADONAI.

By honoring God's Eternal Sacrifice through your Heartfelt Faith that Yeshua ADONAI is Lord of your life and you need Him to be that Redemption, because you cannot save yourself by any means in this physical creation or of the world, then by calling upon His Name (Yeshua) and claiming him ADONAI (Lord) and confessing this as a proclamation with your mouth to others, then you shall be Saved. The Mystery and Miracle is that at that moment you do that and receive your salvation, your Dead Human Spirit is replaced within you by the Holy Spirit (Ruach HaKodesh). This also means that you have been purchased at a price by Yeshua, that you were a slave to Sin and are now a free man to His Salvation Forever.

ADONAI calls all humans to be the Heirs of His Salvation, but for whatever reason, not all will heed the Call and the Enemy steals their Salvation through deceptive measures, with desires of the sinful flesh and false testimony blaspheming the Word of God and turning many from the Truth. God does not call the righteous to repent and receive His Free Gift, but rather He is calling the sinner and unrighteous to repent and receive this Free Gift; but it takes courage and a determination to Love Him above all things and to believe that He is Lord and God (*El Shaddai*).

The benefits to Receiving Yeshua into your heart and Faith are everlasting and beyond anything this life or this world could ever supply; and the rejection of Yeshua from your heart is beyond anything you could ever imagine in the horror of this life or this world, both are everlasting and Eternal...Time Without End! Only a Fool would reject the Salvation of God and Eternal Life in His Presence Forever, and only a Fool would embrace the desires of this world and this life which is temporal and receive the Damnation and Separation from God Forever.

Someone reading this needs to make a decision...Right Now!
