Second Message to this Church – Ken Walston (Kenna Outreach Ministries)

I now saw a second vision from the first one the Lord (ADONAI) told me to give you all.

The Lord is standing at the Fire Alter with His Arms extended, His Eyes like Brilliant Blue Sapphires, He was adorned in glistening brilliance, like shining diamonds brighter than the sun and He had a Golden Crown on His Head. His Face was so brilliant and radiant that all I could see was Pure Transparent Light coming from Him, not like the light from a lamp, but Pure Transparent Glory going in all directions Forever. When He spoke, all of Heaven quaked and everything fell in Worship towards Him. He was Commanding when the Spirit spoke to me saying:

“You know who I AM.” I said, yes Lord, you are the First and the Last, the Beginning and the End. Then He proclaimed in a loud voice, *“I AM the Alpha and the Omega! All who have believed in Me have not died; and I say unto you, who are among the Living, all who believe in me shall not die. For I AM the Way, the Truth and the Life. Proclaim it!* And I fell down and said, “surely you are the Lord God, who is the Way, the Truth and the Life!” Afterwards thunderous sounds start rolling across the sky and deep colors of green and blue appeared to be shining in the atmosphere, then in the distance what looked like an open hand holding a bright star in it. Then the Spirit said, *“Look, the Hand of the Lord holding the Bright Morning Star from setting in the west, which will bring the destruction of all mankind.* I asked, does the Lord have control over Satan on the earth? The Spirit said, *“The Lord has control over Everything in Heaven, on Earth and in the Underworld of Darkness. It all works for the purpose of God’s Will’.* Then I was turned around in the opposite direction to where I was standing and a tremendous cloud appeared before me and the Spirit began telling me the whole purpose of why God allows Satan and the Powers of Darkness to exist; but after I was filled with this knowledge, I immediately forgot everything He had told me. It was as if I could remember being told but could not remember anything about it. As I was fighting to remember, the Spirit spoke to me saying, *“Do not try and fight to remember, the Lord will reveal it Himself to you according to His Will.”*

All of the message being revealed was about God’s Sovereignty, His Supreme Power and Authority and His Will; but the most profound and absolute Presence during all of this was what I call the Substance of God’s Eternal Love. It’s like a power or frequency that radiates through you and all around you. It feels like something is holding you or hugging you, but not in a human physical way, but a caressing imminence everywhere. It also makes everything you see, feel and hear absolutely believable, without any doubt! There is no fear or substance of fear anywhere. Everything is crystal clear, and you can feel what Eternity is. Eternity has a feel to it that is all around you. When you look at the Throne of God or see Him you feel that feeling of Eternity. It’s very reminiscent of what we feel as “Joy” on earth in our physical body. Yet this feeling of Eternity does not come from you, but from everything around you and through you.

Then the Spirit spoke to me and said, *“Look up for I AM coming soon and I bring my reward with me!”*
